My dearest son, Adam,
 Things to Remember

Try not to compare yourself with others,
 It is because we are different that each of us is special.
 Don't set your goals by what other people deem
 important. Only you know what is best for you.
 Don't be afraid to admit that you are less than perfect.
 It is this fragile thread that binds us to each other.
 Don't be afraid to take risks. It's by taking chances that
 we learn most about ourselves.
 Never dismiss your dreams, since dreams
 will provide you with hope and purpose.
 Finally, don't run through life so fast that you
 forget where you've been and also where
 you are going.
 Life is a journey...savor each step of the way.

I will miss you a lot but you'll always be in my heart.

All my love,
 Mom
