C-ommit yourself to your goals, as you
H-eighten those aspirations for your future;
R-id your thoughts of any doubts, if you
I-ntend to succeed and make life better;
S-ome obstacles you'll meet along the way,
T-reat them as part of the challenge;
I-nvoke God's guidance every single day,
N-urture discipline and self-confidence;
E-njoy and have fun, as you strive to find your place in the sun.

CONGRATULATIONS
ON YOUR
GRADUATION.
