

Oh very young
What will you leave us this time
You're only dancing on this earth
For a short while
And though your dreams may toss
And turn you now
They will vanish away
Like your daddy's best jeans
Denim blue fading up to the sky
And though you want him to last
Forever you know he never will
And the patches
Make the goodbye harder still
Oh very young
What will you leave us this time
There'll never be a better chance
To change you mind
And if you want this world
To see a better day
Will you carry
The words of love with you
Will you ride
The great white bird into heaven
And though you want to last
Forever you know you never will
And the goodbye
Makes the journey harder still
Oh very young
What will you leave us this time
You're only dancing on this earth
For a short while
Oh very young
What will you leave us this time
Oh very young
