

MY BUDDY

Amy Swenson, Holly Oatis, and Alexis Stoll aren't just teammates on the cross-country team. They always have time for each other even when they're not in pain from running.

Just by their nonchalant smiles you can tell Ashley Esposito and Jessica Semple know things about each other no one else knows.

Above: Nikki Senatore and Meghan Tway . . . the picture speaks for itself. Left: Be sure that this terrible threesome of Dave Russ, Dave Lies, and Niel Stender will find each other at some point in the day.
