

SOPHOMORES

These Lewis structures are no problem for
Cangialosi as she completes her lab ex-
periment with ease.

Far above: Steve Lowen and Thomas Brandt lighten up their
ninth period class with their unique headgear.

Above: Chanen Chavis and Andrew Pavoni join their class
in studying for the next day's exam.

Below: The industrious Karen McCourt works hard to com-
plete the day's assignments.

Matt Deegan wakes up in the middle of En-
glish class to find a stimulating intellectual
activity happening around him.
