The boys cross country team, coached by Jeff Koegel had one of their best seasons yet. The boys finished with a very respectable record of 9-1. They came to place second in both the Watchung Conference and Union County Championship, as well as placing third in the Shore Coaches Invitational. One of their biggest accomplishments this year was placing first in the Passaic County Coaches Invitational. The key runners on the team were sophomore Bobby Wallden, who placed fifth in the Watchung Conference Championships and seventeenth in the State Group 3 Championships, as well as senior captain Nick Klastava, and junior Andrew Elko. With many underclassmen on the team, the prospects are bright for this squad.
