This year the boys and girls winter track teams demonstrated a winning effort and zeal for victory in both training vigorously and competing. For example Erin Kelly and Jill Koscielecki broke the 1,000 and 600-meter events. Jayme Ferraro and Alyssa Sams had a great season prevailing in competition in the shuttle hurdles. Also Christina Hillman had a great season in the hurdles, high jump, and shot put. The girls' team won The Union County Relay Championship for the first time in school history. Top performers for the boys were Nathan Jones in the 400 and 55-meters, Derrion Aberdeen in the high jump, and Mike Dixon in the distance run. The 4x400 team (Jamil Coles, Anthony Cary, Justin Green, and Nathan Jones) had a good year. The boys' team placed second in Union County Relay Championship.
