

THE GOLD

Above: Concentrate!!! Charlie Blauth knows it's important at a competitive track meet against Westfield to keep his mind on the more important things, the pole vault being one of them.

Above: Forget running for the gold, Senior Nick Cahill leaps for the gold!!

Left: With his unique form, Nathan Jones prepares to take flight while long jumping at the SPFHS track meet.

Ending the season with a sparkling record of six wins and no losses, the Scotch Plains - Fanwood High School boys track team easily conquered their opponents at every meet. Key athletes on the team include Jamil Coles, Nathan Jones, and Dan Loomis. But in the end, this successful victory couldn't be achieved without the ability and skills of the entire team.

With time running out and his opponents catching up, Mike Franzone knows that he'll have to go quickly over all the hurdles to win the race.

Ahhhhhhh! After taking the jump, Derrion Aberdeen tries to quickly regain his balance so his landing will turn out successful for both him and the team.
