

FOR THE NEEDY

STUDENTS CONCERNED

Students Concerned For The Needy organizes a variety of activities that benefit the needy in the surrounding area as well as in other parts of the country. Advisor, Mr. Stevens, along with Co-Presidents Ankur Dalal and Christ Hillman, Treasurer Susanna Klassel, and Secretary James Kao, lead and inspire the club members. This year SCN held a dollar day for hurricane victims, food, clothing, and shoe drives, made Thanksgiving baskets for four families and made and served meals at a nearby church. SCN also goes Tiny Tim Caroling and holds the annual Famine Drive. This club is an active organization whose kindness and dedication make a visible difference in the lives of others. This tradition that is sure to continue.

After checking the list, Claire Cappio prepares yet another bag to be placed in the classrooms for the annual Holiday Food Drive.

Jamie Dougher tries to fit as many student-donated cans of food as possible into the bulging bag.
