DECA'S
THANKSGIVING DAY DINNER
FOR THOSE IN NEED

After helping the needy for Thanksgiving, DECA students returned to work with the Interfaith Council. A Christmas party for kids was held where Santa came and presents were given out. The students were also able to adopt over eighty-five families through the Adopt-A-Family program this year. The holiday season proved to be a season of giving for the DECA students. In between all the events, the students volunteered time one Sunday a month at Ashbrook nursing home and held a free computer course for community members on Thursday nights. All these events were carried through while preparing for regional, state, and national competitions from January through May.
