

FROM THE FAR EAST . . .

In its inaugural year, the Asian Student Association was a huge success. The club's focus was to bring an appreciation of Asian cultures to SPFHs. They did a superb job on the night at Homecoming, raised money through bake sales, sales of popular Asian candy, and sold the fashion accessory "flower beads". The presidents of ASA this year were Tracy Galantini, James Kao, and Renna Razal. Mrs. Ciasulli was the club's advisor and made sure things ran smoothly. ASA looks to be a club that will endure for years to come.

Love-All decked out for Homecoming, Anita Shah and Cristina Wong show off their Asian heritage. Below: Siblings Renna, Renuel, and Rennuel Razal take a break from rotating their Homecoming float to talk with Peter Quinio.
