

*Dear Jackie,*

*Here you are, brave soul, climbing on the bus for your first day in school. From the first to the last, you've done your best. We are so proud of you and all you've done. A strong, good young woman ready to go to college with that same great spirit.*

*We love you,  
Mom & Dad*

R.J.,

You captured us early on with your gentle charm and smiling eyes. We watched you while you quietly observed the world and tucked those deep thoughts inside of you, where they later reemerged in your creative mind and thoughtful soul.

Now it's time for the world to start watching you! Your accomplishments are many, your leadership strong, and your kindheartedness will always be your cornerstone. We wish you every good thing your heart desires. Keep that sense of humor always. And thank you, R.J. for teaching us that still waters do indeed run deep! Congratulations to you, your friends, and the Class of 2000!!!

Love,

Mom, Dad, Kelly, Brian & Kevin
