Congratulations on all of your accomplishments. We are so proud of the roads you have taken which have brought you where you are today. The choices weren't always easy, but while travelling those paths, you have grown into a beautiful, strong and independent woman who will achieve all her dreams. Never stop believing in God, in us, and in yourself. Live your life to the fullest, realize all your dreams, and never stop being you.

Love,  
Mom & Dad
