

Matthew-

Your many accomplishments in high school will assure you smooth sailing into college!

In whatever you do from this day forward remember- if you hit the ball over the fence, you can take your time going around the bases!

Love always,
Mom, Dad, Jenna,
Alycia, Teddy,
Randa and Sneaux

CHRIS

You've been training since birth for this next big step in your life... we ponder if we have done enough, done our jobs through the years, yet we cannot be sure until your freshman year of college begins. For, until that first full day on campus, we will not be overly confident that you will pass that big test...Waking up in the morning without our help!

Best of luck in your future endeavors and all our love always,

Your proud parents!
