

CONGRATULATIONS
PETER
AND THE CLASS OF 2000

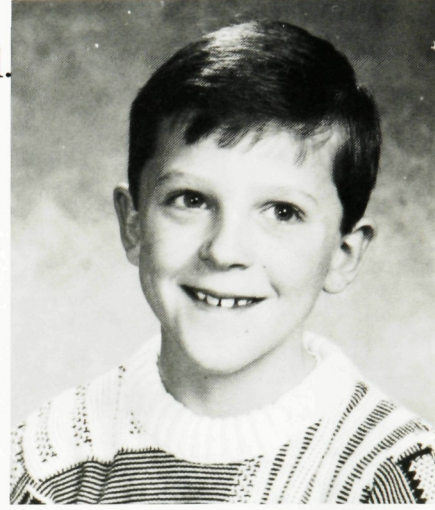

“Reach high, for stars lie hidden in your soul.
Dream deep, for every dream precedes the
goal.”

The Last but not the Least!

You are a wonderful son who has
blessed our family with your great sense of
humor, kind and strong values. May the joy
you bring to others return to you 10 fold!

You will always be our “baby” and “little
brother”.

All our love,
Dad, Mom, Jennifer & Justine

Dear Paul,

Your future can be as bright
as those eyes. It is all up to
you. Know that you have made
us proud of you and we love you
so very much.

Congratulations on your
accomplishments and on your
graduation. Always be smart
and use the potential with which
you have been blessed.

Love always,
Mom & Dad
