

You can lean on me and I can lean on you and we'll both be ok Memories last forever

You can always tell a real friend: when you've made a fool of yourself they don't feel you've done a permanent job.

If you live to be 100, I want to live to be 100 minus 1 day so that I'll never have to live a day without you.

"I love you!" Count on me through thick and thin, our friendship that will never end.
