

# Shannon Gallagher

Since the day you were born,  
You've brought a smile to our face.

There's no one else in this world,  
That could ever take your place.  
You've turned into a beautiful young lady,  
We're so proud of all you've done.

Now it's your time to grow,  
And shine as bright as the sun.  
Hope college will be wonderful,  
But we will miss you so.  
We'll always be there for you,  
Wherever you go.  
Love Always,  
Mom and Dad
