

Michelle Lockhart

It seems like only yesterday that you were a baby and now you are a lovely young woman; It seems like only yesterday that you were graduating from Growing Tree and now you will be graduating high school; It seems like only yesterday that you were taking your first step in the living room and now you are taking your first step into the future; It seems like only yesterday you that you learned how to ride a bicycle and now you are driving a car; It seems like only yesterday that I used to give you money and now you have a job and your own money, but WAIT- I still give you money!! You have the world at your fingertips. Soon you will be off to College and it is difficult for us to let you go. You are such a bright light in our home, when you are gone, our home will seem dim. All the best of luck ahead in your bright future.

Love,
Mom, Dad & "Harry"
