

Robbie Mattar

All your life you have been a source of pride and joy to us. We have marveled at your accomplishments and at the wonderful young man you have become. If a man's wealth was measured by the friends he has, you would be a very wealthy man! Your heart is your greatest asset, it's what makes you so special! Let it always show you the way and

"Believe in yourself
in the power you have
to control your own life,
day by day
Believe in the strength
that you have deep inside,
and your faith will help
show you the way.
Believe in tomorrow
And what it will bring
Let a hopeful heart carry you
through
For things will work out
If you trust and believe
There's no limit to what you can
do"

We love you so much!
Good luck at Wharton and
Go Quakers!
Your Biggest Fans,
Mom, Dad, Caroline & Michelle
