

Emily Caballero

Emmy,
Through the years you have shown me what a great sister is. You worked so hard to be who you are now, and who you are now is the person I will love forever. You laugh at everything, smile till the end, you bring light to my world and to see your face everyday makes me wonder how I got to be so lucky to have you in my life. I hope you have a great future and keep on working to your ability. Have fun in college. I love you.

Love Always and Forever,
Nellie
