

# Before School

SOME STUDENTS COME TO SCHOOL AROUND 6:30AM, OTHERS ARRIVE AT 7:30AM, AND THEN THERE ARE THE FEW WHO COME RIGHT AS THE LATE BELL RINGS. REGARDLESS OF WHEN WE ARRIVE, WHAT MOST OF US HAVE IN COMMON IN THE MORNING ARE THE LAUGHS, BREAKFAST, LAST MINUTE WORK AND, OF COURSE, THE GOSSIP. HERE AT SPIFFY HIGH, EVERY MORNING IS FILLED WITH A NEVER ENDING BUSTLE OF ACTIVITY.

Above: Senior Allison Williams does some last minute touch ups on her homework.

Below Center: Seniors Abby Rosenblat, Stephaine Faber, and Ryan Webber get a good laugh at the ridiculous amount of homework that needs to be done by next period.

Below: Freshmen Nicole Hunt makes herself at home to prepare for her upcoming test.

Above: Seniors Theresa Son and Chris Denker get a sneak peak at the teacher's edition to "check their homework."

Right: Seniors Erica Schwarz and Lindsay Sudia get to school early to add finishing touches to their homework but before that Lindsay stops for a cup of coffee at Dunkin' Donuts to get her through the school day.

Top right: Senior Mike Walker and Junior Mathew Blasi catch up on the world news before school starts.

Top Center: Juniors Amanda Cohen, Kaitlyn Meredith, and Kelly McManus study hard for the last test of the marking period.
