BINKY!!

Ok, so you think you're grown up now graduating high school n'all, but never forget the crazy times over the years... "Put some money in the bag. PULEASE!" A. Keys in Allentown, wading in that dirty creek down south. Alice, dancing club in Philly at a red light, 4th and Cumberland. "This is Agata, uh, I mean is Agata there?" Bug Spray in your eyes with Amy, dancing in the rain in our bathing suits in Hurricane Floyd. "...The roof, the roof, the roof is on fire, go crunchy go frosty... that's Brisk baby... what's next? My breaks ah! That takes finesse... Magna Doodle... if you think that's great, try the body wash!" After just some crazy times we've had together, I can only appreciate how proud I am of you, and the beautiful young woman you're growing into. I told you before and I'll tell you again: I look up to you and always will. High school it's over homey! Yeah! LYLASCUMS (and my BFF!) Love, Alia
