

mud football!

A game of touch football becomes messy when sophomores Tyler Delmoro, Jorden Yellen, Kalee Aguiar, Courtney Costa, Alexa Lindenberg, Tommy Sutter, Jarek Cohen, Mike Divisio, Tyler Staneck, and Allie Vogel decide to play rough. After the game, they spent hours scrubbing the mud off their clothes, but even when they were cleaning, they managed to have fun. "It's always a good time when we get together; my friends make me happy," commented Vogel.

an apple a day keeps the doctor away!

Taking a bite out of their favorite snack, seniors Michelle D'Auria and Jullie Saggard know that eating apples will keep them out of the doctor's office during the flu season. These girls took advantage of a warm Saturday afternoon to have a perfect picnic in the park. "It was a nice day out, so we decided to be outside enjoying the warm weather and just having fun with our best friends," added D'Auria.
